

HISTORIC FORT WAYNE

Tours after Dark

Hear stories and legends not told by historical guides

Tales of a WWI/WWII soldier that still walks his post, sightings of a despondent domestic servant that took her own life and much more!

This event is a guided tour, not a "ghost hunt" although you are more than welcome to bring cameras and recording devices. An opportunity will be given at approved sites to conduct an investigation, if desired.

Please wear appropriate footwear since we will be walking for this tour...no sandals or heels, please

All guests **MUST** be 10 years of age or older and must agree to abide by the rules and regulations of the tour; if under 18, must be accompanied by parent or legal guardian
